

ATL BUSINESS DIVERSITY APPRENTICESHIP PROGRAM

PROGRAM SCOPE

Coach Consulting, Inc., working in collaboration with ATL Business Diversity, is partnering with area technical schools, community colleges, registered apprenticeship and/or industry training programs to identify students/candidates who may be referred to ATL's Apprenticeship Program for consideration, immediate employment at Hartsfield-Jackson Atlanta International Airport, or employment with prime and subcontractors looking to fill positions. Referral of the students/candidates does not guarantee employment but will serve to build a repository of candidates for contractors and the apprenticeship program. Coach Consulting will achieve workforce development by partnering with instructors at area technical and community colleges, as well as high school counselors and instructors in the Career, Technical, Agricultural, and Educational (CTAE) programs in Fulton County, Clayton County, and the Atlanta Public Schools system.

PROGRAM REQUIREMENTS

Coach Consulting will enlist, screen, and submit students/candidates eligible for the ATL Apprenticeship Program for employment.

STUDENT/CANDIDATE PROFILES TO INCLUDE:

- Student or Candidate Bio
- Resume
- Two (2) letters of reference from instructors or industry professionals for each student/candidate
- Skills assessment outline for each student/candidate

PARTICIPATING SCHOOL REQUIREMENTS

- Provide students with information about the ATL Apprenticeship Program
- Make applications and criteria readily available to students via on-line and print media
- Collect and forward completed applications and supporting documentation, when received, via email to info@coachconsultinginc.com

FINAL SELECTIONS

Candidates must meet program requirements. Coach Consulting will complete the initial screening and then forward the results to the program manager for consideration, final selection, and hiring.
